Why West Nottingham Academy?

At West Nottingham, our focus is on developing great humans. Our family-like community of students and faculty have created a safe and welcoming environment where your child can truly thrive and unleash their full potential. We pride ourselves on creating a culture of emotionally intelligent, thoughtful and compassionate future leaders who are surrounded by brilliant minds supporting their growth.

01

IMMERSING IN A CULTURAL AND HISTORIC LANDMARK ESTABLISHED IN 1744.

Located in the rural heart of Maryland, our school is steeped in over 275 years of history. Our beautiful and safe 100 acre campus is centrally located to some of America's oldest and most significant cities and landmarks.

02

CREATING GREAT HUMANS THROUGH PASSION, PURPOSE, AND IMPACT.

Our intimate size of faculty and students allows for unprecedented access to personalized education plans and extracurricular activities which have been thoughtfully designed to help students unleash their true potential.

03

CONNECTING THE LEADERS OF TODAY WITH THE LEADERS OF TOMORROW.

Our school is connected to a global network of the world's greatest leaders in a multitude of fields, who are available to students through a broad range of networking sessions, mentorships, and events.

Academics at West Nottingham Academy

With over 120 courses, the S.T.E.M. and Innovation Signature Program, and a Student-to-Faculty of 5:1, our academic offering is second to none.

Through our mission of Developing Great Humans into the Leaders of Tomorrow, West Nottingham students will learn not only how to adapt to a changing global environment, but how to drive those changes.

In addition, with a 99% acceptance rate for our students to post secondary educational institutions, we are able to guarantee admission to an American University or College in a field of the students choosing.

West Nottingham Academy's Unique Programming

Further to our mission in Developing Great Humans, West Nottingham has created multiple initiatives to provide our students with opportunities to interact with global leaders, experience new cultures and activities, and ensure they're receiving access to an education plan that suits their individual needs. We believe that the world needs emotionally intelligent leaders in every field, and the programs and opportunities we are able to provide will deliver those much needed leaders to the world.

01

THE CHESAPEAKE LEARNING CENTER

Our groundbreaking personalized education program which offers a custom learning plan for students who require additional structure and support.

02

IGNITE - GLOBAL MENTORSHIP PROGRAM

Every student at WNA is offered access to a world-class mentor who aligns with their passion and interest, to build a life long connection at no extra cost to the parent.

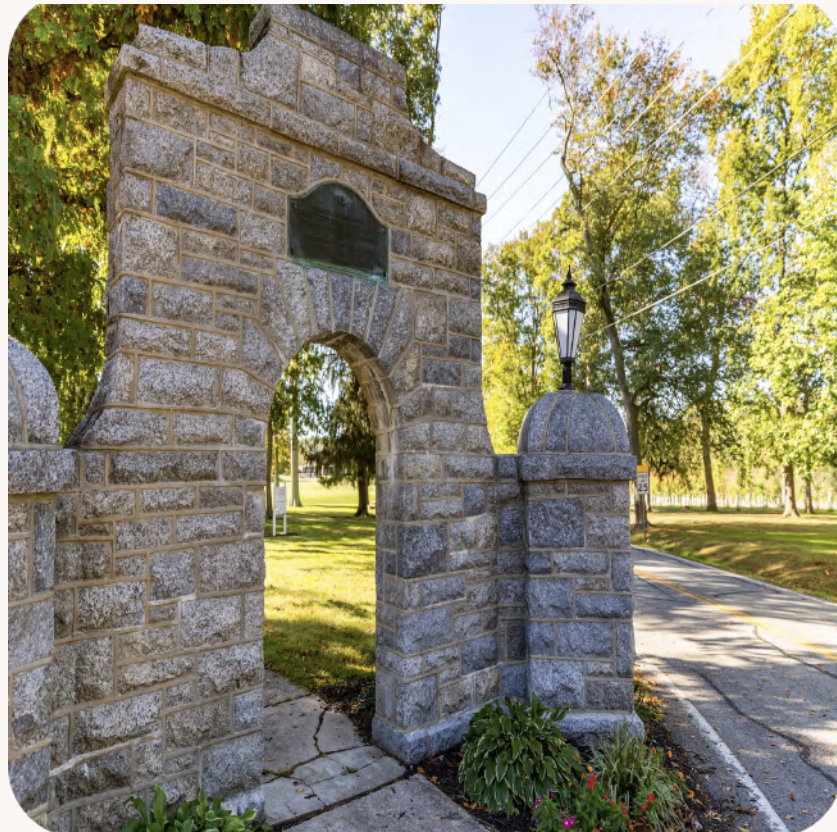

03

INSPIRE- VISITING MENTOR PROGRAM

Each month, WNA welcomes inspiring leaders and scholars to come to our campus to speak on their expertise, and engage directly with our students.

West Nottingham Academy's Campus

Our 100 Acre Campus is located in the safe, serene town of Colora, Maryland, conveniently close to Philadelphia, Baltimore, New York City, New Jersey, and Washington, DC. Surrounded by lush nature, large acreage, and historic buildings, the West Nottingham Campus is an inspiring and beautiful setting for our students. We boast an impressive array of sports facilities in our park-like setting, and a deep connection to the surrounding environment through our sustainability programs.

Athletics at West Nottingham Academy

We offer a wide range of athletics for our students, as we believe these programs can build community and school spirit through the engagement of students, parents, staff, and alumni. Sporting events also create an opportunity for our neighbors to enjoy our campus and community.
