# The College Guidance Profile 2025-26

## BACKGROUND

Webb is an independent college preparatory school in Southern California with boarding and day students in grades 9–12. **Ninety-nine percent of graduates gain admittance to selective four-year colleges and universities throughout the U.S. and abroad. One percent choose an alternative to the four-year path. This commonly includes a gap year.** Webb provides a superior academic and residential experience and a highly rigorous academic program. Our students participate in leadership, residential, athletic, and advisory programs while experiencing all the benefits of living and learning in a diverse and supportive community.

## FACILITIES

The school is located on a 150-acre campus nestled at the base of the San Gabriel Mountains in the college town of Claremont, about 35 miles east of Los Angeles. The campus has more than 50 buildings, including the Susan A. Nelson Performing Arts Center, Copeland Donahue Black Box Theater, Digital Media Studio, W. Russell Fawcett Memorial Library, Les Perry Gymnasium, Observatory, Taylor B. Stockdale Community Center and 10 dormitories. The Raymond M. Alf Museum of Paleontology is a prominent educational element of the school and houses an extensive collection of fossils, the majority of which were unearthed and prepared by students.

## CURRICULUM

The academic curriculum provides superior programs in English, mathematics, world languages, history, science, visual and performing arts, and other disciplines that equip students intellectually to meet the demands of a rapidly changing society. The curriculum offers students a choice of more than 136 courses. Forty-six Advanced Studies and Advanced Placement courses are featured including anatomy & physiology, biology, bio-technology, calculus AB & BC, chemistry, Chinese, computer science, English, environmental science, French, humanities, linear algebra, paleontology, Physics C, Spanish, U.S. history & world civilizations.

## EXTRACURRICULAR ACTIVITIES

Students may choose from an array of activities beyond the classroom. These include interscholastic sports, community service, debate, robotics, music, drama, dance, visual arts, literary magazine, hiking and camping trips (including fossil-hunting trips sponsored by the Alf Museum), and other opportunities unique to Webb and Southern California.

## INTERPRETATION OF GRADES

Webb uses the following scale in computing GPA. A cumulative weighted and unweighted GPA is reported on the transcript.\*

|     |    |  |
|-----|----|--|
| 4.0 | A  | Truly outstanding achievement combined with originality, effort and excellence in the skills required by the course  |
| 3.7 | A- |  |
| 3.3 | B+ | Highly creditable honors-level achievement with sound understanding of the subject material, consistent effort and broad competence in the skills required by the course |
| 3.0 | B  |  |
| 2.7 | B- |  |
| 2.3 | C+ | Satisfactory achievement with adequate understanding of the subject material, adequate effort and broad competence in the skills required by the course                  |
| 2.0 | C  |  |
| 1.7 | C- |  |
| 1.3 | D+ | Minimum passing work, meeting the basic requirements of the course   |
| 1.0 | D  |  |
| 0.7 | D- |  |
| 0.0 | F  | Failing  |

- Extra weight is given to courses that are designated Advanced Studies, AP or Honors level – a full point for Advanced Studies and AP and a 1/2 point for Honors.

The Webb Schools adheres to a strict grading policy. We do not practice grade inflation. In the past five years, fewer than 25 of the over 500 total graduates have earned a perfect 4.0. The typical student carries a 3.5 unweighted average.

## Webb's Two Schools Join Together as The Webb Schools

After more than 40 years of single-sex education in grades 9 and 10, The Webb School of California and The Vivian Webb School have come together as one unified institution, now known as **The Webb Schools**.
