# WHO ARE WE?

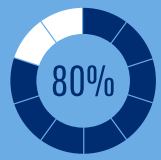

An intentionally small, experientially big college preparatory boarding school, but we will do far more together than simply prepare you for college. Here you will love learning, expand what you thought was possible, and reimagine what you are capable of doing. We will prepare you to lead a meaningful and fulfilling life inspired by a sense of purpose and human connection.

# WHO ARE YOU?

Passionate. Driven.  
 Curious. Confident.   
 Kind. Insightful.  
*You are all that and more.*
