Threshold of a higher life

MISSION STATEMENT:

Asheville School is a diverse and nurturing community that challenges and supports the mind, body, and spirit of our students by developing their resilience, intellect, and character.

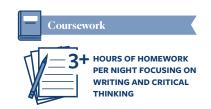

Special Programs

BLUES CORE

In 2021, Asheville School launched an expansive, four-year curriculum focused on health, emotional well-being, and human relationships called Blues Core. The mission of Blues Core is to prepare our students for college and for life; to educate students so they can make informed choices; to create time for teenagers to talk about life issues in small groups with adults; and to enhance belonging among our students. The senior-year curriculum focuses on the social, emotional, and logistical issues associated with graduating from high school and successfully navigating college.

THE SENIOR DEMONSTRATION

A graduation requirement, the Senior Demonstration is a semester-long capstone academic experience at Asheville School. Each student must choose a topic of intensive research, read several books with a related theme. write a significant research paper, and complete an oral defense before a board of faculty members.

Academic Overview

A New Sequence for Humanities Courses

For many years, our Humanities Department featured a four-year sequence of required multi-disciplinary courses. Students of all levels earned English and History credits by taking the same sequence of Ancient Studies (9), World Studies (10), European Studies (11), and American Studies (12). Beginning with the 2024-2025 school year, we are opening more space in our student schedules for electives by shifting our History requirement to three years. At the same time, we are creating Advanced levels in both English and History for the 11th and 12 grades. Our 9th and 10th grade courses will remain at a single level. The Class of 2025 will fulfill the pre-existing graduation requirements by taking required courses in American Literature 12 and American History 12. Both courses will have an Advanced option.

The Class of 2026 and beyond will take courses in the new sequence:

- World Literature 9 World Cultures 9
- European Literature 10 Western Civilization 10
- American Literature 11 or -- American History 11 or -- American Literature 11 (Adv) American History 11 (Adv)

Beyond AP

After thoughtful review, Asheville School has chosen to join a growing movement among independent schools: We are shifting away from the College Board's "AP" curriculum and developing our own "Advanced" courses. We believe that our teachers have designed courses that equal AP classes in rigor but exceed them in depth.

Our course list clearly designates where we have replaced "AP" courses with our own "Advanced" courses. We encourage colleges that traditionally assign weight to "AP" courses to assign the same weight to these "Advanced" courses.

World Language Exception

Students for whom English is a second language are not required to take an additional world language. They may choose to do so, but many opt for an additional math or science course or an elective. On occasion, the School will grant a language waiver to students with appropriate educational testing.

Course Load Expectations

Since adopting a seven-period schedule four years ago, we have encouraged students to enroll in six courses per trimester when appropriate. For the 2024-2025 school year, we still encourage students to enroll in six courses, though the basic expectation remains five courses per trimester.

Reporting Mid-Year Grades to Colleges

We will send initial transcripts to colleges with grades through the end of the junior year and the courses for the senior year. We will send transcripts with first trimester grades in support of Early Decision applications in early November, and we will send a mid-year transcript with year-to-date grades in support of all other applications in early January.

School Calendar

Asheville School began operating on a three-trimester system in 2020-2021. One week of "Winterim" courses falls between the second and third trimesters. Students sit for comprehensive exams at the end of the year.
