Closest Universities: Cal Tech / USC

Climate: Warm

Nearest Airport: Los Angeles International

California

From the 284 days of sunshine a year to the breathtaking sunsets to the fields of golden poppies, it is not a coincidence that California is called the “Golden State.” There are infinite possibilities for daily adventure - beaches, ski resorts, national parks, art museums, concert venues, shopping, restaurants, theme parks and more. California has some of the country's best universities, including Stanford, University of Southern California (USC), California Institute of Technology (Cal Tech) and the University of California campuses at Berkeley (UC Berkeley) and Los Angeles (UCLA).

Academic Programs

37 Advanced Courses; 24 AP Courses; 13 Honors Courses

AP pass rate % (score of 3 or higher) 90.6% of AP Students had a passing score of 3 and above in 2020

Teaching Philosophy

Teaching and learning are at the heart of the Lasallian educational mission. La Salle is characterized by the continual development of excellence in the classroom, the recognition of multiple ways of learning, and the accessibility of the faculty to our students. Our college preparatory programs support diverse and capable students to become extraordinary people both on and off-campus.

International Student Support

1. International Student Application Support. Once students submit their online application and are approved to be qualified, we will help the applicants work toward acceptance and enrollment.
2. We provide private Academic Guidance Counseling supporting our international students with scheduling courses, understanding assignments, improving grades, and managing homework.
3. International students will receive assistance with participation in school clubs, sports, and other co-curricular programs.
4. Our College Preparation Advisor to put in extra attention and help our international students with college applications, writing for college admission, interview preparation, interview skills, testing protocols and strategies, and all other steps leading to college acceptance. Assistance and review of college applications before submitting them. As well as guidance on the best letters of recommendation and options for preparing.
5. Job shadowing, career exploration, and community service opportunities are also available to support our international students to get real experiences through activities outside of the school.
6. We also advise our international students on the best ways to make use of school breaks and summer vacation, help them to spend their holidays in a meaningful way.
