

INTRODUCING

*Looking Forward for the Future*  
<https://laketahoeprep.org>

**At Lake Tahoe Preparatory School,  
we believe all students deserve  
a challenging, engaging,  
and empowering high  
school experience.**

**We pride ourselves on meeting  
each of our students where they  
are in their academic journey and  
encouraging them to take their  
next steps with confidence.**

**Our unique program encourages  
lifelong learning, authentic  
growth, and an appreciation  
for new adventures.**

***Our students have stories.  
Here, they begin their next chapter.***

## Strong *Teachers*, Strong *Mentors*

Whether enrolling following a therapeutic stay, beginning Advanced Placement coursework, or studying a new language, our students are challenged, coached, and inspired to achieve their personal best. Inside and outside of the classroom, our teachers serve as role models, offering students encouragement, guidance, and feedback.

- Dedicated Learning Center for all students, including individualized programs for learning differences
- Expansive English Language Development program for English language learners, with full diagnostic testing
- Nightly study hall supervised by teachers, Sunday through Thursday

## Real *Life*, Real *Living*

Lake Tahoe Prep favors meaningful activities for students to discover their strengths and become active participants in their own lives. With ample time to try new things and pursue their passions, our students learn about themselves and others.

- Daily recreational and athletic opportunities
- Limited recreational technology use, freeing students from the pressure of a constant online presence
- Dedicated, non-teaching, non-coaching residential life staff in the residence halls
- Fully integrated wellness model prioritizes physical, emotional, and social well-being

## Big Mountain, Big Moments

Our 300 days of sunshine and proximity to the Sierra Nevada mountains offer unparalleled access to yearlong outdoor athletics including big mountain skiing.

- Academic school day concludes at 2:00 p.m., to take full advantage of all there is to experience in Lake Tahoe.
- Daily skiing or snowboarding in season; tuition includes an annual ski pass.
- Local and school culture emphasize physical activity; recreational sports such as rock climbing, hiking, swimming, and kayaking are favored by students.

## Ready to Launch, Ready to Lead

With our support and understanding, each of our students develops the confidence, competency, and resilience they need to excel in college and what follows.

- Ample opportunity for new experiences, new activities, and new perspectives through our challenging curriculum and exciting extracurricular program
- Access to global concepts in our diverse student body within a small campus community
- 100 percent of our graduates achieve college acceptance

## ***Great School, Great Location***

Located in California's beautiful Olympic Valley, Lake Tahoe Preparatory School is a coeducational, college preparatory school serving students in grades 9 through 12. For over forty years, we have been the leading boarding school for students from the United States and around the world who seek an education that is robust, rigorous and personalized to their learning. We invite you to experience and embrace your future at Lake Tahoe Preparatory School.
