

AN EDUCATION

WITH A VIEW

## WELCOME TO THE SAINT STANISLAUS CAMPUS,

which has been part of the Bay St. Louis community since 1854. Located in southern Mississippi on the Gulf of Mexico, the quaint seaside city of Bay St. Louis offers the best of small-town charm, southern hospitality, and local activities.

### VOTED ONE OF THE BEST PLACES TO LIVE

Bay St. Louis is consistently voted as one of the best places to live (most recently by *USA Today* as one of the Top 10 Best Coastal Small Towns), and for good reason. Our students enjoy all the fun of a seaside destination with the safety of a small town. It's a great place to enjoy the outdoors, golfing, fishing, and sunning on the white sandy beaches year-round, thanks to our mild temperatures. A popular vacation destination for many, Saint Stanislaus students get to learn and grow here.

### UNIQUE PROGRAMS AND ACTIVITIES

We make the most of our location right on the Bay, developing unique programs, clubs, and activities for our students to enjoy. Our marine science students get their hands wet off our 1,000 ft. pier. Our scuba and sailing clubs enjoy time in the water, while our environmental club focuses on care for our oceans, too.

WELCOME TO BAY ST. LOUIS

10 USA TODAY 10Best READERS' CHOICE 2021

“**One of the coolest things** about Saint Stanislaus is the fact that it's right on the beach. In my Marine Science class, we just cross the street and we're knee-deep in the Gulf of Mexico studying the fragile wetland ecosystem.” – Chris, 12th grade

ACCESS TO THE

# BIG CITIES

While there's never a shortage of fun in Bay St. Louis, our closeness to cities like New Orleans and Baton Rouge in Louisiana, Gulfport in Mississippi and Mobile in Alabama gives our students access to big city arts, culture, and entertainment. From professional sports teams like the New Orleans Saints football and New Orleans Pelicans basketball to must-experience events like Mardi Gras and Cruisin' the Coast (America's largest block party), this region offers something for everyone.

## GETTING HERE IS EASY, TOO.

Gulfport-Biloxi International Airport or Louis Armstrong New Orleans International Airport are both a short drive from campus.
