

## LEADERSHIP LIVES HERE™

We are dedicated to the individual preparation of our students for success in college and in life. Integral to our mission is the development of personal character and leadership traits in our students. This is accomplished through our academies:

**St. John's Northwestern Military Academy** challenges cadets to learn leadership principles in the classroom

through the U.S. Army JROTC program. Cadet leaders use after school time and weekends to hone their leadership skills at all levels. Cadet leaders are selected based on demonstrated maturity, academic performance and sense of responsibility.

**St. John's Northwestern Prefect Academy** prepares students to serve as influential members of our global community. Our proprietary curriculum focuses on experiential learning in a student-led model, building character from the inside out.

Students in both academies share common space and have classes together.

Students in both academies share common space and have classes together.

**St. John's Northwestern Summer Academy** offers summer fun with the purpose of providing character-building leadership skills through a summer academic program and recreational programs.

## ADMISSIONS

Our admissions team works with each applicant to assess and recommend the best opportunity for each student.

## DESCRIPTION AND LOCATION

St. John's Northwestern Academies is an independent, coed, college preparatory and leadership development boarding and day school for grades 7-12, located in Delafield, Wisconsin, 25 miles west of Milwaukee and 95 miles northwest of Chicago. The 110-acre campus includes several buildings that house classrooms, learning commons, residence halls, dining hall, chapel, infirmary, student center, gym, and pool, along with athletic fields and a nine-hole golf course. Annual enrollment is approximately 180 students from across the United States and numerous international countries.

Honors program includes **AP** and **college courses**.

Students actively engage in **community service activities**.

The **student/teacher ratio** is approximately **10:1**.

Individualized attention in our **tutorial program**.

Specialty programs include **aviation**, **bagpipes** and **Scottish drumming**.

## EXTRACURRICULAR

All students participate in a leadership program and athletics. Club opportunities are available throughout the year. Community service and civic engagement activities are an important part of student life.

## MIDDLE SCHOOL GRADES 7-8

Seventh and eighth grade students study English, mathematics, science, social studies, physical education and an elective in fine arts and technology. Qualified eighth graders may take electives in world language or freshman-level course work for high school credit.

## HIGH SCHOOL GRADES 9-12

Graduation requires a minimum of 23 academic credits: 4 of English, 3 of math, 3 of social studies, 3 of science, 2 of world language, 1 of technology, 1 of fine art, 1.5 of physical education, and at least 1.0 of leadership.

### Diploma options:

- Traditional
- STEM Honors
- Humanities Honors

**Honors Program.** Honors, AP, and college level courses are available in most core disciplines.

**English as a Second Language (ESL):** ESL courses are offered from beginning to advanced levels for international students needing ESL support. Most students in the ESL program are also integrated into some mainstream classes.

**Transfer Credit.** Credit from other schools is accepted when course work satisfies our requirements.

## FACULTY

Faculty totals 35, of which 14 hold Master's degrees, and 2 hold a Ph.D.

## COLLEGE & CAREER COUNSELING PROGRAM

The college counselor assists students with the college application process. An average of 30 college representatives visit campus each year, including representatives from each of the U.S. military academies. Students are encouraged to visit college campuses and explore career options. The majority of our seniors are accepted into colleges and universities. Some choose to serve in the armed forces or attend a technical program.

Schools accepting Academy graduates include:

American University	Hult International Business School	United States Air Force Academy
Babson College	Indiana University	United States Merchant Marine Academy
Baylor University	Lehigh University	United States Military Academy
Berklee College of Music	Marquette University	United States Naval Academy
Beloit College	Milwaukee School of Engineering	University of California-Berkeley
Boston College	New York University	University of California-Santa Cruz
Brandeis University	Northwestern University	University of Connecticut
The Citadel	Penn State University	University of Dayton
Clemson University	Princeton University	University of Illinois Urbana-Champaign
Cornell University	Purdue University	University of Michigan
Indiana University	Rutgers University	University of Minnesota Twin Cities
Embry Riddle University	Rice University	University of Notre Dame
Emory University	Savannah College of Art & Design	University of Pittsburgh
Fordham University	Syracuse University	University of San Diego
George Washington University	Texas A&M University	University of Wisconsin-Madison
Georgetown University	Texas Christian University	Vanderbilt University
Georgia Institute of Technology	Tulane University
