

ATHLETICS

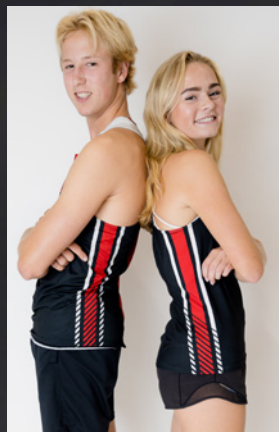

PLAY WITH INTEGRITY

The success of our athletic program is not only about standings and scoreboards. It's about character, dedication, and community – the talent and sportsmanship of our athletes, commitment of our coaches, support of our school leadership and the sense of pride fostered by the entire Dragon community.

CONNECTED LEARNING

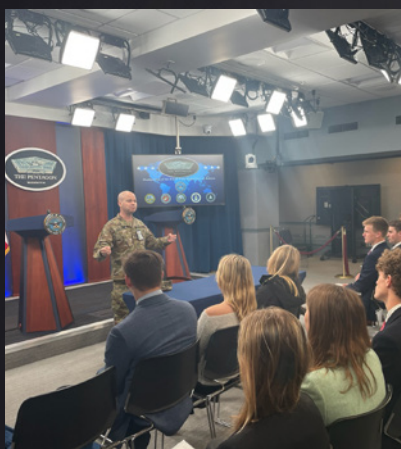

DISCOVER ENDLESS POSSIBILITIES

Our students are ready to contend with the ever-changing landscape of the 21st century. We create the perfect opportunity for growth through ongoing dialogue, personal and communal reflection, and the development of both empathy and curiosity across classrooms, on trips, and in service to others.

COURSES

Design Science
Global Studies
Marine Science
Principles of
Engineering

TRAVEL

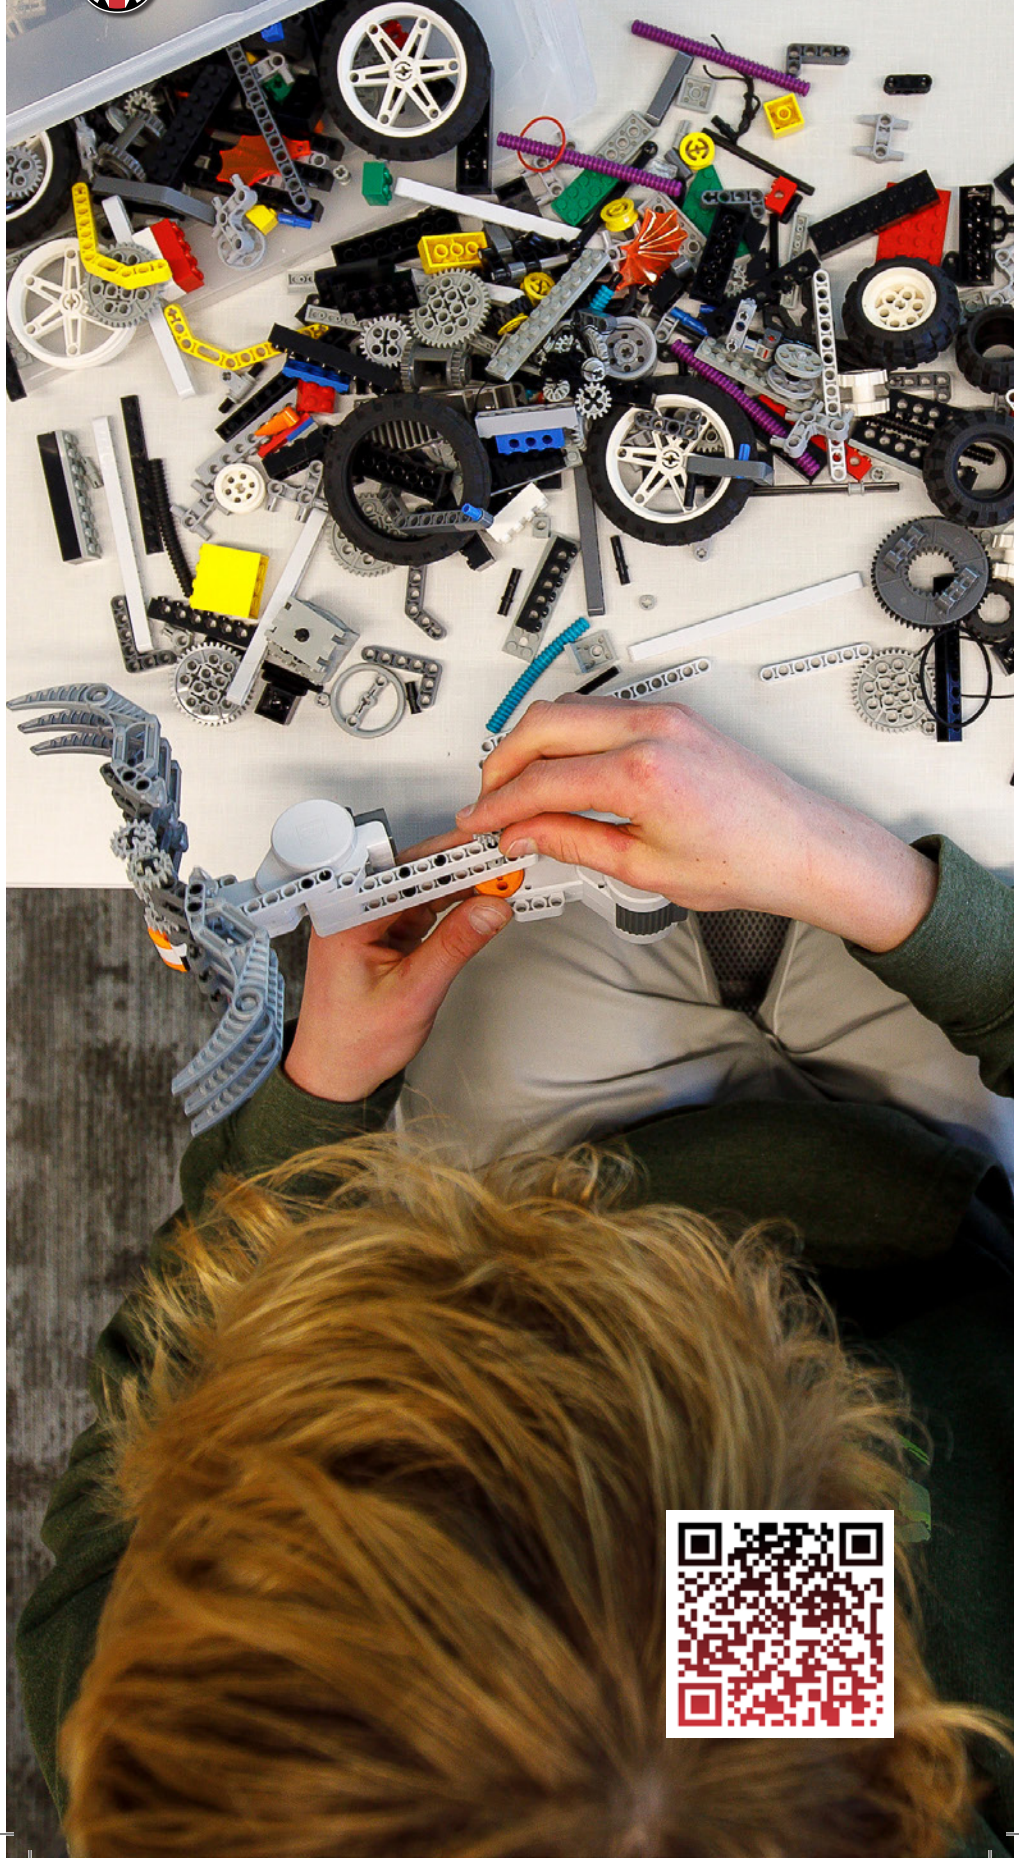

Dragons in Hollywood: A program that gives students the opportunity to travel to Los Angeles for an inside look at the entertainment industry from movie-making to music production.

Rogers Scholars: A four-day, alumni-supported program offering students a unique, non-partisan look inside policy-making, politics, and professions in our nation's capital.

ST. GEORGE'S SCHOOL
