**NORTH YARMOUTH ACADEMY**

North Yarmouth Academy is an independent, college preparatory, coeducational school founded in 1814 with over 400 students, preschool through postgraduate. We offer a structured program that establishes clear standards and high expectations in an environment that emphasizes values of mutual respect, trust, and community. We are dedicated to fostering integrity, character, and intellect in our students.

## Discover NYA

**LOCATION:** Our 20+ acre campus is located in the small coastal town of Yarmouth, Maine just ten minutes from Portland and 2 hours from Boston.

We are a traditional New England prep school with a campus dotted with historic brick buildings, a modern science center, playing fields, and our own ice arena. NYA attracts students who value new and challenging academic experiences and who seek the satisfaction and reward that come from dedication, commitment, and hard work.

**VARIETY & CHOICES:** Students may choose to participate in independent studies, earn one (or more) of seven Diplomas with Distinction, and participate in the Kauffmann Program for environmental writing and wilderness exploration.

**CLOSE-KNIT COMMUNITY:** Each student has an advisor and advisory group to help guide them along their educational journey. We offer personalized goal setting, course selection, college counseling, and residence life services including planned weekend and evening activities. Students are well known!

**ACTIVITIES:** All students participate in an after school extracurricular activity throughout the year. This includes athletics, drama, music, robotics, and more.

**RIGOR:** We are proud to offer 18 AP courses, and all other academic courses are taught at the honors level. Our students are challenged and supported in all of their pursuits.

### Premium Residential Life Experience

Our residential program offers students a warm, inclusive, and enriching home away from home. The dormitory is within walking distance of shops and restaurants, with easy public transportation access to Portland and Boston.

Our experienced residential life staff provide exceptional support and organize regular excursions, cultural outings, and leadership opportunities that foster independence and community.

Students enjoy a dedicated dining and recreation commons, where meals are provided daily by NYA's dining services team. The program is led by a two-time James Beard Award-nominated chef and former restaurant owner, whose mission is to deliver nutritious, globally inspired meals that bring people together. Working closely with both international and domestic students, the dining manager ensures that every student has a true taste of home.
