“Perkiomen School’s Office of College Counseling offers everything your student needs, accessible right here on campus. Outside consultants or agents are not necessary. The relationships built by our College Counseling team give our students an edge because of their deep, personal connections with university admissions representatives. We are fortunate to be led by David Antoniewicz, one of the leaders in the college admissions field and a Board Director for the National Association for College Admission Counseling. Our primary goal is to help our students connect with the right-fit university where they can pursue their passions and find success.”

—Mark A. Devey, Head of School
