WHO WE ARE

DEI STATEMENT

At Miss Hall's School, we champion social justice; insist that all community members demonstrate respect for each other through words and actions; and affirm that diversity, equity, and inclusion are essential to learning and problem solving, discovery and personal growth, and cultivating empathy and cultural competency. Guided by these beliefs, and with the understanding that being an inclusive community requires ongoing work and commitment, we foster cross-cultural dialogue and allyship to honor and celebrate our diverse community.

“I remember the day I arrived on campus and was unpacking my suitcases. I didn’t know anyone at the time — until my Big came by and knocked on my door. I met my first MHS friend. She told me I should go with her to anything. She made my day. Since then, she’s not only been my Big, but also a friend, a leader, and a role model.”
