WHY CHOOSE BISHOP GUERTIN?

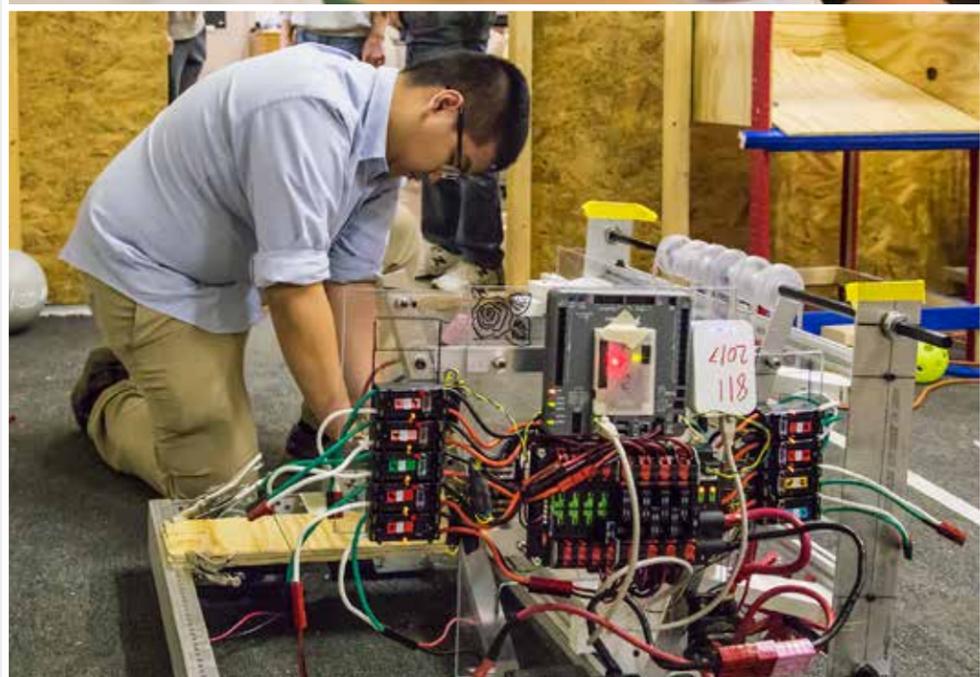

1 #1 Catholic School in New Hampshire

Bishop Guertin was named the #1 Catholic School in New Hampshire in 2018. The ranking is based on rigorous analysis of factors such as SAT/ACT scores, the quality of colleges that students consider, student-teacher ratio, Catholic school ratings, and more.¹

2 Technology Courses

The Computer Science Department presents a curriculum designed to prepare students for the 21st century where computer science is ever-present. Depending on students' goals and interests, they can take a technical computer science path with advanced programming courses or a media path with courses in graphic arts and multimedia.

3 Band Program

Bishop Guertin's music program offers a wide variety of options for students interested in growing their skills, whether in marching band, string orchestra, private instrumental lessons, or a smaller ensemble. Bishop Guertin's talented student musicians are regularly accepted into New Hampshire All-State and Jazz All-State Music Ensembles. In addition to excelling in competition, the band also travels extensively.

“In addition to our outstanding academic program that prepares students for college, we offer a wide variety of challenging activities as well as a welcoming and supportive school community. For over 50 years, Bishop Guertin has formed its students intellectually, spiritually, and in all of their talents, and we are excited that we can now offer the same experience to students coming from around the world in partnership with UTP.”

BISHOP GUERTIN HIGH SCHOOL IS LOCATED IN NASHUA, NEW HAMPSHIRE

ACADEMIC RESOURCES & FACILITIES

Take advantage of the best in education!

Bishop Guertin High School offers a wide variety of academic resources to aid in your success during your time studying in the USA. From cutting-edge technology to college counseling, you will have the opportunity to excel in your studies and achieve your academic goals.

Music Room

The active music room hosts students before, during, and after school as they make and study music. In addition to a wide variety of performing ensembles, the room is also home to a number of elective classes for both the casual music consumer as well as more serious, aspiring musicians.

College Counseling

College counseling is one of the foundations of Bishop Guertin academics, and counselors offer individualized college counseling based on student academics and interests. College information sessions are required throughout junior and senior year when the counselors advise on building college lists, essay writing, application writing, teacher recommendations, and the Common Application. Bishop Guertin also holds two college fairs, national testing days, AP testing, and college visitation days.

Field House

The field house is home to the indoor track and two full-sized basketball courts. It is open to all students and used primarily for Physical Education classes, sports team practices, recreational sports, and Admissions events.

Library

The library is open every day and provides a professional library staff, quiet study area, 13 online databases, and a variety of printed collections for students to use.

Bring-Your-Own-Device Classrooms

Many teachers at Bishop Guertin create lessons integrating student laptop use as an academic resource to provide a more interactive classroom experience.

Science Lab

Lab activities are an integral component of the science curriculum at Bishop Guertin. Lab-based courses include Biology, Chemistry, Physics, Environmental Science, Anatomy and Physiology, and Nutrition.

Art Program

Bishop Guertin's Art Department is structured to prepare students from levels of new understanding to advanced studies, including portfolio preparation at the post-secondary level. Three art rooms provide an atmosphere of open-concept learning and group interaction. Students are able to work closely with their peers while still receiving individual instruction from the teacher as needs arise, creating a welcoming and supportive environment for all levels.

3 Computer Labs

The Computer Science Department presents a curriculum designed to prepare students for the 21st century. Bishop Guertin offers many electives in its Mac and two PC labs.

FIRST ROBOTICS

Bishop Guertin's award-winning Robotics Team gives students the opportunity to work together to design and build a working robot in just six weeks. The Robotics Team competes in district, regional, and national competitions.

CAMPUS LIFE

"Bishop Guertin is amazing! The students and teachers are so friendly. I also have so much time to try new activities and sports. I have had so much fun joining sports teams and making many new friends."

“Weekends in New Hampshire are relaxing. During a typical weekend, I will complete my homework assignments, practice my instruments, and go shopping with my host family. Sometimes I like to attend the UTP American Experience Events or hang out with my friends at the mall.”

ANH TRINH KHANH (SELENA)
HO CHI MINH CITY, VIETNAM
CLASS OF 2020

LIFE IN NEW HAMPSHIRE

Bishop Guertin High School is nestled in the suburban town of Nashua, New Hampshire, in the heart of New England. New Hampshire is known for its natural beauty, friendly neighborhoods, shopping malls, and public parks. Nashua has been named “Best Place to Live in America” twice,¹ and New Hampshire was named the 2018 Best State of the entire United States.² Local residents enjoy a 1-hour drive to any destination they desire: the city of Boston, the wooded mountains, or beaches on the Atlantic coastline.

Average Seasonal Temperatures ³	
Spring	12°C / 54°F
Summer	25°C / 77°F
Autumn	14°C / 57°F
Winter	0°C / 32°F

The American Experience Program gives you the opportunity to explore life and culture in the USA through fully planned trips and excursions!

At the start of your time with UTP, you will receive either 25 or 50 points toward your American Experience program.⁴ These points are to be used towards activities of interest and allow you to choose from a wide variety of excursions without the worry of planning or costs.

SAMPLE EXCURSIONS	
ZIPLINE ADVENTURE	PAINT NIGHT
INDOOR SKYDIVING AND SURFING	LUNAR NEW YEAR FESTIVAL
SKI TRIP AT GUNSTOCK MOUNTAIN	GLow BOWLING
BLUE MAN GROUP SHOW	MINI GOLF AND GO KART
DOG SLEDDING	HAUNTED HOUSE AND AMUSEMENT PARK
SIX FLAGS NEW ENGLAND	BOSTON CELTICS BASKETBALL GAME
COLLEGE TOUR	ICE SKATING

⁴ Points are allocated according to your duration of study.

“On the weekends I enjoy attending UTP American Experience events. They are great because I am able to hang out with friends and experience some of the local culture. My favorite event this year was the ski trip!”

"Bishop Guertin set me up for success in the path I wished to follow. Not only was the course rigor and variety perfect for an in-depth and well-rounded education, but the teachers and faculty were always willing to go the extra mile to make sure every student had the opportunity to reach their potential. At Columbia, I plan on studying Computer Science while also attempting a minor in Philosophy. I wish to one day be a front runner in the field of Artificial Intelligence!"

³ If your country is not listed here, please refer to the general minimum academic entry requirement (85% GPA or B average or above).

⁴ Course availability is based on individual student scheduling.

LANGUAGE FOUNDATION

The Language Foundation Program is designed to promote and enhance your fluency in academic English, preparing you for success both in your classes in high school and at the university level. Language Foundation classes are scheduled throughout the day and focus on building confidence inside and outside the classroom.

Support Level 1 : Advanced

ENTRY REQUIREMENTS:
IELTS 6.0-6.5 / IBT 79-87 /
SLATE 5.0-5.9

Classes include:
Academic Skills - Advanced

This level of support provides advanced students the opportunity to refine their mastery of English with classes correlated to their lessons, specifically in writing, reading, vocabulary, and critical thinking.

Support Level 2 : Upper Intermediate

ENTRY REQUIREMENTS:
IELTS 5.0-6.0 / IBT 56-78 /
SLATE 4.0-4.9

Classes include:
Academic Fluency - Upper Intermediate
Academic Skills - Upper Intermediate

This level of support provides upper-intermediate students with the opportunity to further develop their English to an advanced level, focusing on academic skills in writing, reading, listening, speaking, and vocabulary.

HOW TO APPLY

Step 1. Gather Required Documents

- Student information (name, parents' names, address etc.)
- Academic Transcripts from the past 3 years (originals and English translation)
- English Teacher Recommendation (1)
- Math Teacher Recommendation (1)
- English language test result (IELTS, TOEFL, or SLATE)
- Copy of Passport
- Any additional supporting documents

Step 2. Apply

Visit: utphighschools.com/apply

Step 3. Interview

A Skype interview is required for ALL students in order to assess oral language ability and student character.

Step 4. Confirming Your Place

If the applicant is accepted, the \$2,800 enrollment deposit, host family application, and terms and conditions must be submitted according to the deadlines provided on our website: utphighschools.com

Once the \$2,800 enrollment deposit has been received, the I-20 (student visa form) is issued. The applicant will be required to submit their medical history & immunization information after successfully receiving a student visa.

ACCEPTED

If the applicant successfully passes the visa interview, flight details, and full payment will be due before the student's arrival to the program.

DENIED

If the applicant's visa application is denied, please return the original I-20 to UTP International Admissions with the visa denial letter by post for a refund.

Host Family details will be provided 2 weeks before student's arrival to the program.

Please note that students are required by State law to submit a medical history BEFORE arriving to the program. Additionally, in no case can a student arrive to the program without a PPD (tuberculin test) or negative Chest X-ray.
