DEFINITION OF EXCELLENCE.
BECAUSE OF IT, I WILL NEVER
SETTLE FOR ANYTHING LESS
THAN MY FULL POTENTIAL.”

– Timber Garner, Brook Hill Graduate

COLLABORATE

Small student-to-teacher ratios foster individualized learning and character development. In our classes, students interact not only with their teachers but with their peers – learning together.

COMPETE

At Brook Hill, winning is the goal of competition, but that's not why we play the game. We believe that competition builds character and teaches critical life skills.

THROUGH COMPETITION WE LEARN THE VALUE OF TEAMWORK AND THAT WE ARE ONLY AS GOOD AS THE SUM OF OUR PARTS.

RALLYING AROUND THE GUARD AT BROOK HILL BRINGS OUR ENTIRE SCHOOL CLOSER TOGETHER.

EXPERIENCE

Every year, our students have the unique opportunity to spend a week traveling the country and the world. From California to Spain, from New York to Uganda, our students grow academically and spiritually through experiential-learning courses outside of the classroom.

PERFORM

During their time at Brook Hill, students develop their singing and acting abilities as they discover their potential and perform in front of large audiences.

THE ARTS TEACH US VIRTUES LIKE TRUTH AND INTEGRITY AND GIVE US A SENSE OF WONDER, FAIRNESS, CREATIVITY, AND COOPERATION

STUDENTS PERFORM IN MUSICALS LIKE THE SOUND OF MUSIC THAT MADE MUSICAL THEATRE FAMOUS.

CREATE

Brook Hill students refine their craft and stretch their creativity through both music and visual arts while earning college credit in advanced placement courses.

THROUGH THEIR ART, OUR STUDENTS CAN BETTER UNDERSTAND THEMSELVES AND HOW THEY CAN MAKE OUR WORLD EVEN MORE BEAUTIFUL.

DISCOVER

Through annual college tours, our students visit the best universities in Texas with their peers. This gives them the opportunity to see each campus and discover where they belong.

CONNECT

With more than 50 nationalities represented among our student body and alumni, Brook Hill offers a space where different cultures can connect through academics, athletics, and campus life.

“I WANTED A SCHOOL
WHERE I COULD LEARN
TO BE INDEPENDENT
AND TAKE THE LEAD IN
MY LIFE. BROOK HILL
HAS EXCEEDED MY
EXPECTATIONS.”

– Daniel Choi, Brook Hill Graduate
