

Notre Dame Belmont

International Student Program

You are welcome here!

About us:

Notre Dame Belmont is the premier Catholic all-girls college preparatory school on the San Francisco Peninsula in California, USA. Established by the Sisters of Notre Dame de Namur in 1851, it is one of the West's oldest private schools celebrating over 160 years of educating women leaders. Notre Dame High School gives its students an educational foundation, which emphasizes academic excellence, leadership skills, spiritual growth, critical thinking, creative expression, physical well-being, social awareness, and self-confidence.

"My name is Rae Lin. Photography is one of my hobbies. I didn't know that carrying my camera around could actually win me national awards until my teacher of photography class in NDB asked me to enter the Scholastic Awards. NDB is not only a place for education, but also a platform for me to discover opportunities."
