LIFE AT SAINT MARY'S

Whether you're a boarding or day student, Saint Mary's School is your stepping stone to independence. Here, your family grows to include classmates and caring adults who walk alongside you in friendship and encouragement. You'll be assigned your own advisor as well as a "Saint Sister"—a student-mentor who can ease your transition and help you dive into life at Saint Mary's.

You'll discover the many benefits of our lively 24/7 campus community, including access to amazing facilities and resources late into the evening, fun weekend activities, and more than 30 clubs that align with your personal interests and ambitions. From theme dinners to dances to s'mores on the terrace, you'll be part of our traditions, new and old. Here, you will feel safe and supported as you spread your wings, take risks, and try new things.

OUR EPISCOPAL HERITAGE

Our rich Episcopal heritage informs our values and calls us to respect the worth and dignity of every human being. We gather for chapel twice a week and welcome guest speakers of different faiths and backgrounds. Our chaplain is available to the entire Saint Mary's School community for pastoral care, counseling, and spiritual guidance.

Our Mission

Saint Mary's School, a community dedicated to academic excellence and personal achievement, prepares young women for college and life.

IMMERSIVE LEARNING

Our integrated academic and student life programming offers you a truly immersive educational experience where leadership education is the thread that ties all our programming together. With supportive peers and faculty challenging you to break out of your comfort zone, you are encouraged to develop essential leadership skills like communication, collaboration, and critical thinking.

Challenge yourself with Advanced Placement and Distinguished Scholar courses and explore new interests through Independent Study and internships. Lead a group project, serve on the Student Government Association, or engage in a cultural exchange abroad. See things from different perspectives as you live and learn with girls from around the state, the country, and the world. Graduate knowing you are equipped to lead with confidence, purpose, and a deep sense of responsibility.
